Join us in Childhood Cancer Awareness Month on September 29th, 2018 for the 16th anniversary Time to Fly. Over 2,000 runners, walkers, and spectators will join together at Phalen Park in Saint Paul to take huge strides in the race against childhood cancer. Time to Fly® features an event for everyone in the family and draws large support from families of patients who have found themselves fighting a very personal battle against this deadly disease. Time to Fly celebrates the special children in our lives who have risen above and beat cancer, and pays tribute to those who have sadly lost their courageous battles. We look forward to recognizing your company as a key partner supporting brave children and their families.
