

WAYS TO SUPPORT CHILDHOOD CANCER RESEARCH

There are plenty of ways you can support Children's Cancer Research Fund – browse the options below to see which might work best for you.

OUTRIGHT GIFT OF CASH

Making a cash gift by check, credit card or money order today enables us to meet the most urgent research needs and allows you to see your generosity in action.

OUTRIGHT GIFT OF APPRECIATED SECURITIES

Donating securities to CCRF allows you to receive the same income tax savings that you would if you wrote us a check while also eliminating capital gains taxes on the transfer.

GIFT IN YOUR WILL OR LIVING TRUST

With the flexibility to leave either a specific amount or a percentage of your estate, you can ensure cancer researchers have the resources they need far into the future.

BENEFICIARY DESIGNATIONS

Designate CCRF as a beneficiary to receive a percentage of your estate after your lifetime using an IRA or retirement plan, life insurance policy or commercial annuities.

MAKE A GIFT TAX-FREE WITH AN IRA

If you are 70 ½ or older you can give up to \$100,000 through your IRA directly to a charity without having to pay income tax on that money. Because CCRF is tax-exempt, every cent of your gift will help further our cause.

TANGIBLE PERSONAL PROPERTY

Make an outright gift and receive a federal income tax deduction or donate property to CCRF through your will or living trust.
